

Dr. Kamila Barnes is an Associate Professor at the Hofstra Northwell School of Nursing and Physician Assistant Studies. She is also the Founder/Owner of Barnes Health Affiliates, LLC at [www.bhapro.com](http://www.bhapro.com), dedicated to educating healthcare leaders, informing best practices, and elevating standards of care within communities. She completed her Doctorate (DNP) and Masters (MS) degrees at the University of Rochester, School of Nursing, as well as her Bachelors of Science degree in Nursing and a minor in Spanish at Binghamton University. She is a maternal health advocate working towards ending health disparities. Currently, she serves as the Chair of the National Black Nurses Association (NBNA) Black Maternal Health Task Force leading initiatives that address health inequities and health disparities. She has an extensive knowledge about maternal-child health disparities and continues her scholarly and community service work to improve the lives of women and children. Previous Special Awards and Recognitions include Sigma Theta Tau Regional Service Award, Theta Chi President's Award, Hidden Heroes on the Frontline, NBNA Under 40 Award, National Sojourner Truth Award, and Mary E. Mahoney Award. Dr. Barnes is a Distinguished Fellow of NBNA's Academy of Diversity Leaders in Nursing and a Fellow of the New York Academy of Medicine.
